YOUR HORSE'S HEALTH ◆FIRST AID KIT◆

Do you have a first-aid kit for your horse? You should. It doesn't have to be an expensive or fancy kit. You can make one yourself. Below is a kit recommended by the fabulous people on eHow.com.

- Get a bucket with a lid or other container you can seal and clearly label it "Equine First Aid" on all sides.

- Include a 3-inch vet wrap, nonstick absorbent pads (telfa), 4-inch elastic gauze, gauze sponges, a bandaging cotton roll and cotton sheets.

- Add elastic adhesive tape and 2- to 3-inch porous tape.

- Keep in the kit a pair of bandage scissors for cutting gauze, as well as pliers and wire cutters for removing foreign objects and cutting away fences your horse may have gotten caught on.

- Include providine solution, providine scrub (soap), antibiotics and wound ointment.

- Add a stethoscope and a thermometer for large animals.

- Throw in a plastic easy boot to protect an injured foot.

- Include eye wash, eye ointments and anti-inflammatory medications provided by your veterinarian.

- Add a flashlight and extra fresh batteries.

- Add a bottle of sterile water, latex gloves and a humane twitch.

- Keep medication for bee stings and spider bites, as prescribed by your veterinarian.

- Include phenylbutazone and flunixin meglumine, as prescribed by your veterinarian.

- Consult a veterinarian about other specific medications you should keep in your first aid kit, including antibiotics and anti-inflammatory drugs.

- Store your kit at a moderate temperature; drugs may become ineffective if they are stored at very hot or cold temperatures. Also store the kit where it is in good view and easily accessible.

THE PRESIDENT'S CORNER

Happy June!

Another successful Cornhusker Classic I and II was held this May and I would like to take a second to thank all the competitors, office staff and volunteers for such a wonderful show.

I spent the weekend in Lincoln attending the show as a volunteer and it was a great experience. I hope everyone who was there had a wonderful time!

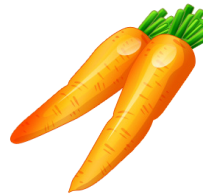

As we look towards the coming months there will be another NDA recognized show at the Lincoln Equestrian Center on June 25, 2011. The entry form is posted on the NDA website but please contact Sandi McConnell at rsmac@inebraska.com with any questions. I will be attending this show as a competitor and I am looking forward to seeing all of you there!

I hope everyone has had a chance to check out NDA's facebook page. We are continually uploading interesting stories and important membership updates. Also, this is a great place to chat with other NDA members or post your favorite horse pictures.

As always, contact me with any questions, comments or concerns at sydneypageash@hotmail.com.

Have a great month!!

USDF & REGION 4 NEWS

NDA and Providence Farm to Host the
2011 USDF Region 4 Adult Clinic Featuring Lilo Fore

“The Classical System Simplified”

November 5-6, 2011 in Palmyra, Nebraska

By Lisa Van Stratten, on-site Clinic Organizer

Wanted: Riders age 22 and older of any ability. Horse may be at any level. Application deadline for riders is September 2, 2011 so start working on the requirements now! Clinic will run from 8:00 AM to 5:00 PM both days.

Requirements: Rider must be a USDF member, obtain an instructor reference or history of instruction, create a video in VHS or DVD format, complete the entire application and ensure it is received by USDF by September 2nd. Cost for rider participants is \$250 for a 30-45 minute private session.

USDF will appoint a selection committee to review the applications and select 8 riders. The committee will attempt to select a broad range of horses and riders so that the auditors can see a broad range of issues that affect horses trained through the different levels. The committee will select horses of various breeds, including traditional and non-traditional dressage horses to ensure the auditor will see that classical dressage training methods will have a positive effect on any type of horse. The committee will select horses with training issues that might reasonably be encountered by the average auditor so that the auditors get the most benefit through watching the corrections and their effects.

So as you can see, everyone will have a chance at riding in this clinic. I hope you will take advantage of this great opportunity that has been given to our region.

If you need help creating a video, contact Lisa Van Stratten at lisavanstratten@yahoo.com.

Come to audit: Don't want to ride in the clinic? Then reserve your auditing spot now! Auditing is open to anyone at any age who desires more information on classical dressage training. Anyone who wants to further their dressage knowledge or just learn more about dressage will be welcome. Cost for USDF members who pre-register is \$40/day or \$70 for both days. After the October 21, 2011 registration deadline and same day walk-in cost is \$50/day or \$90 for both days. Non-members are also invited at the cost of \$50/day or \$90 for both days.

About the clinician: Lilo Fore is an FEI "I" Judge and began her judging career in 1974. In addition to judging, she owns a successful dressage training facility located in Santa Rosa, CA, and helped to develop the USDF Instructor Certification Program. Lilo's students have gone on to become successful professionals and horses bred by her have earned Grand Champion and Champion awards in breed shows in both the US and Canada. Throughout her career, Lilo has remained involved in many educational projects including hosting clinics all over the US and South America.

All detailed information plus links to the forms, registration and application can be found here: <http://www.usdf.org/education/clinics/adult/index.asp>
