## Don't miss the NDA Annual Awards Banquet!

With the weather most likely turning a bit too cold to enjoy riding outside, the Ashland Country Club will once again be the site of the NDA Annual Meeting and Awards Banquet, with a fantastic brunch spread the highlight of our weekend.

They are offering a delicious brunch buffet menu again, featuring eggs and bacon, fresh fruit, pastries, juice and coffee. And let's not forget the mimosas!

Plan to arrive for coffee, cocktails and conversation at 10:30, with brunch and the silent auction following at 11:00. The business meeting will be at 12:00 with the awards presentation to follow.

This is also a time to come together to elect new board members. If you have ever considered joining the NDA board, this is the time to throw your hat in the ring!

We can't wait to see you!

## Letter from the President

---

The most important thing to the NDA Board of Directors is you—our members—and the experiences you have as part of our organization. We strive every day to find more ways to bring you unique educational opportunities, rich competition experiences, supportive community events, and recognition for your accomplishments in the sport we all love.

We also know that this is a very expensive passion we share. But we believe that enriching dressage experiences should be available to everyone, not just the financially fortunate, and so we work hard to bring you these experiences as economically as possible. We do this by maintaining a strict budget, operating as leanly as possible, and relying on wonderfully generous donors to help us keep member dues low.

So we were all a little broken-hearted to hear from USDF that, starting in 2020, USDF will be significantly raising GMO dues. A little background: for every member that NDA accepts, we are required to pay a flat portion of that person's member dues directly to USDF. Then we use the remainder for all NDA events, awards, and general cost of doing business. That portion we pay to USDF is the portion they're increasing.

Unfortunately, there is no room in our lean budget for this added expense, which means we will have to increase NDA member dues. We hate raising dues and we try to do it as little as possible. The last time dues were raised was from 2015 to 2016...four years without a dues increase is pretty great! But there was no way around it this year, and so the board voted to increase NDA member dues for the 2020 membership year.

### The new fee structure is:

- \$50 - Adult Individual
- \$40 - Junior Individual (under 21)
- \$35 - Junior Pony Club/4H (under 21)
- \$70 - Family (two individuals)
- \$25 - Additional Family member
- \$40 - Horse (Lifetime)

Luckily, compared to other GMOs in our area and across the country, NDA is still very affordable. Did you know that in some GMOs, you can expect to pay up to \$145 for an individual membership yearly?

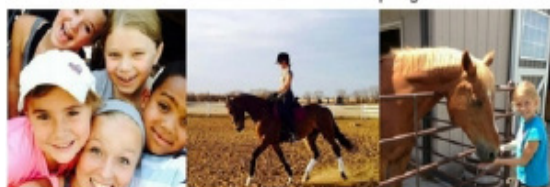

With this change comes a renewed commitment from your NDA board to keep finding new and creative ways to bring you the education, competition, and community you have come to know and love from NDA. We will continue to hold ourselves to a high standard of quality, accessibility, and dedication to the ideals of dressage—so that we can help you build lasting memories with your dressage community.

Here's to another wonderful year for our NDA members!
