

Mark Your Calendars  
for the  
*Michael Beining Seat Symposium*

Sponsored by the Nebraska Dressage Association

Saturday, October 18 and Sunday, October 19  
Elkhorn Equestrian Center ~ Elkhorn, Nebraska

This will be an incredible experience for all involved!

Each of you will have the opportunity to observe and to “feel” how both the rider and the horse learn and move individually and as a unit from a classically trained German “Pferdewirt” who has ridden extensively with Willi Schultheis and Rudolph Zeilinger

Everyone will be an active participant in this two-day experience, whether you choose to ride your horse or would prefer that your “mount” for the day be an exercise ball or a chair.

Watch for further details  
on the NDA website  
and in the  
September issue of the *NDA Contact*.
