NDA is looking for a new Membership Chairperson!

Are you organized? Good with spreadsheets? Interested in helping your GMO and working with USDF to keep us on track? Are you looking for a way to get all your volunteer hours for the year taken care of with one job?

Then you might be a perfect NDA Membership Chair!

After many years of excellent service to NDA, Diana Spaulding is stepping down as the NDA Membership Chair following the year-end banquet. NDA is looking for her replacement. Responsibilities include accepting and recording all new member applications, maintaining a spreadsheet of these members, and reporting new members to USDF every month.

Diana will be available to help you learn the ropes as you get started.

If interested, please contact Melissa Ward at president@nebraskadressage.org as soon as possible.

Thank you!

NDA is looking for a new Contact Editor!

Do you enjoy communication? Do you have strong computer skills and enjoy design and organization? Are you interested in keeping your fellow NDA Members up to date on the local, regional and national dressage news? Are you looking for a way to get all your volunteer hours for the year taken care of with one job?

You might be a perfect Contact Editor!

Jane will be available to assist as you get started. If interested, please contact Jane Fucinaro at newsletter@nebraskadressage.org as soon as possible.

Thank you!

Are there other Committees you would be interested in serving on? Contact the NDA Board if you’d like to volunteer. And as always, thanks to the many hard-working volunteers that keep NDA going!

Thank You

A Note from Tillie Jones

Dear NDA Members,

I would like to thank all the NDA members that contributed in the Region 4 Junior team “No Braid Fundraiser” at the Cornhusker Classic. With your generous donations, it helped with entry fees, stabling, and other payments along the way to Kentucky. The Region 4 Junior team will be competed at the Kentucky Horse Park during the North American Junior Young Rider Championship on July 13-18. Riders ages 14-21 from many countries come to compete at this show. All 9 regions in the U.S. also competed. The test the junior team rode is combined with 3rd level movements. It will be a very big show so I would like to thank everyone who has supported us on this very special journey!

Thank you,
Tillie Jones

Congratulations, Region 4 Jr./YR Team!

The Region 4 girls shined in the national arena! After Day 1 of the Festival of Champions, our Mickayla Frederick and Tillie Jones have taken 1st and 2nd place in the FEI Junior Team Test, respectively. You go, girls! NDA is proud of you.
We passed the **200 member** mark in May and expect to have over 220 total members by the end of this year. Your sponsorship has allowed us to give each new team a Century Club ribbon and plaque.

A few fun facts from some of our new Century Club Members:

Team #208, Jerry Kleffman and Photon: first Team from Minnesota

Team #200, Thann Hanchett and Magellan: first Team from Utah

Two 35-year-old horses have joined the Century Club this year:

Star (Team #204)

Rocky (Team #209)

"When I heard about the Century Club, I tried on my old white britches, learned a test, and decided it was time to do it! So, thank you, Century Club, for giving me this goal. Now that I’ve gotten out and done it, I’m going to continue. Why not?"

- Sally MacGowan with Steelmarket, Team #207

Again, thank you for helping us honor an older generation while inspiring the next.

Three NDA Members are Las Vegas Bound!!

Every year in December, the United States Dressage Federation holds its annual convention in a different city. This is an opportunity for representatives from every GMO (group member organization) in the country to meet with the USDF Executive Board as well as PM (participating member) delegates from every region—together, this group represents the voting governance of USDF. They come together for a number of educational sessions and roundtable discussions, and then vote on issues that affect USDF and its members everyday.

This year’s annual convention will be held in Las Vegas, Dec. 2 through Dec. 5, 2015. Educational sessions will be presented by some of the country’s most respected veterinarians and experts, and attendees will be briefed on all the latest developments at USDF & USEF, including proposed USEF rule book changes.

PM Delegates
Region 4 (consisting of Nebraska, Kansas, Missouri, Iowa, South Dakota, North Dakota, and Minnesota) is allotted four PM delegates, who vote on behalf of all the USDF participating members of Region 4. These delegates are elected by the region’s PM delegates and serve three-year terms.

NDA Board Member Laureen Van Norman.

Lloyd Landkamer has served as Region 4 director for several years but has withdrawn his name this year. There is no candidate for Region 4 director so nominations will be taken from the floor at the annual meeting. We are excited to learn more about the operation of USDF from the perspective of a PM delegate and to represent Region 4 in this important work.

Nebraska’s major role in the history of dressage in the United States. Also, NDA is up for a couple of GMO awards this year, including Best Website and Best Newsletter—so we’ll let you know how that turns out!

To learn more about some of the topics that will be covered at the USDF Annual Convention, visit the convention website or check out the Governance Discussion Topics at the USDF website.

If you have questions about the convention, our representatives, or suggestions for topics to bring up at our roundtable discussions, please email Melissa Ward at president@nebraskadressage.org.

As the meeting grows closer, we will be looking for input from our membership about any issues that will be presented. An agenda for the BOG meeting will be available on the USDF website under Governance. Proposed USEF rule changes are currently on the membership about any issues that will be presented. An agenda for the BOG meeting will be available on the USDF website under Governance. Proposed USEF rule changes are currently on the website. Please feel free to contact me or Jane with any questions or comments.

A Note From Laureen and Jane
Jane and I will be attending the USDF Convention to be held in Las Vegas in December. Last spring, both of us received an invitation to stand for election as a Region 4 PM Delegate and were elected in June. PM Delegates represent the interest of all USDF participating members within their respective regions on the USDF Board of Governors. Key to effective service is communication with members about issues to be considered at the annual meeting. As the meeting grows closer, we will be looking for input from our membership about any issues that will be presented. An agenda for the BOG meeting will be available on the USDF website under Governance.

This issue’s article is a great opportunity to share some interesting and important information with our readers. We hope you enjoy it and please let us know if you have any comments or suggestions for future articles.

NDA Awards Banquet and Annual Meeting
Silent Auction

**Holiday shopping is just around the corner!**

NDA’s Year-End Banquet and Silent Auction is Nov. 14. It will be here before we know what hit us—the hustle and bustle of holiday shopping! It’s almost that time of year, and NDA would like to give you a jump start into the season.

Make room for your new incoming items by donating your horsey (or non-horsey!) items for the annual NDA silent auction! Then at the auction, shop for gifts for your two- and four-legged friends.

The auction takes place in conjunction with the Year-End Awards Banquet and has always been a big hit with many unique items!

**How to donate:**

I (Gracia Huenefeld) will be at the NDA Schooling Show Championships on 9/27 and would be happy to collect any items there. I’m also happy to accommodate your schedule and make other arrangements. Just contact me!

*Note: Donations are tax-deductible. Please include an estimated value for each of your donated items and you will receive a receipt for your records.

**How to bid:**

Bidding will take place at the Year-End Awards Banquet on November 14, 2015, at Parker’s Smokehouse in Ashland, NE. We will be posting some of the items on the NDA Facebook page for you to view ahead of time, but bids will be placed at the banquet.

**We want your stuff!**

So go through your tack locker, your house and your storage unit! We’d love to auction off your extra bridles, your old lamps, your beautiful art pieces, or anything else that you just don’t have room for anymore.

Or, if you (or your business) would like to donate services, brand-new items, handmade gifts, or gift baskets, we would LOVE those, too! Remember, these donations are tax-deductible.

Please contact me with any questions!
