

Dear Competitor,

We are excited to bring you an excellent competition this year! This inaugural show at Quail Run Equestrian Center will be a step forward for the sport of Dressage, not only in Nebraska, but for all of Region 4. The NDA board has been working diligently to make this event exceed all of your expectations.

Below you will find information pertaining to the show such as stabling, concessions, office hours and schooling areas. We have also attached a map of the show grounds for you to familiarize yourself with the lay out of the grounds. I believe you will find them not only very convenient, but also very equine friendly.

In the event you have a concern this weekend, please feel free to contact myself or Jennifer Rawlinson, our show manager. All of our volunteers will have red lanyards with their name and the NDA logo on at all times. Feel free to ask them questions or to radio us if you have any questions or concerns during the event.

I wish you all the best of luck for a well ridden test and a score that is your personal best.

Thank you,

Riding Arenas:

There are two main riding arenas that will be in use for this event. The Arena 1 has GGT footing and Arena 2 has a mixture of sand and GGT type footing. Both Arenas are large enough to be divided into competition space and warmup space.

Arena 1 will have enough space for the next competitor to be able to warm up at the end of arena behind the competition space.

Arena 2 will have the primary schooling and lunging areas. Division of competition space and schooling space in Area 2 will be made with temporary fencing for clear designation and separation.

The breed show will take place in the Indoor arena. The Indoor arena will be only available for the breed show and at no time shall it be available for use otherwise.

There is a fourth arena, the large hunter arena, that is located just above the stabling area. This arena is easily recognizable with the trees and raised grass areas contained within it. This arena is not to be used by any dressage competitor during this competition. It is for the sole use to Quail Run clientele not participating in the show.

Stabling:

There are 100, 10 x10 permanent stalls on the grounds. These stalls are in a roofed space, but the building is open air on all sides. These stalls all have access to electricity and water.

No outside shavings are to be used. Shavings will be available for purchase on site and/or maybe purchased with your entries.

Stalls will be assigned as entries are made. Tack stalls are available; however, in the event that we need additional stalls for horses, tack stalls will be refunded back and be used for horse entries.

**Prohibited Areas:**

No exhibitors, participants or spectators are permitted in the primary Quail Run Indoor, with the exception to the Indoor restrooms and the Indoor area during the breed show times on Saturday and Sunday.

Animal Control:

All dogs or other domestic pets must be on leashes or otherwise controlled at all times. Please be respectful and clean up after your pets.

Security:

Security will be provided by Old West Security. Security will be present on Friday and Saturday from 10 pm - 7 AM. Please ensure each horse has a clear stall card, with name of horse, owner, trainer and contact information in the event of an emergency.

Vendors:

We will have a few vendors on site.

Refreshments/Food:

Urban Eats Sports Concession will be open from 7-5 Saturday and Sunday. They will have items such as breakfast burritos, muffins and other goodies for breakfast. Lunch items will include but not limited to items such as veggie pasta salad, BLT chicken salad and grandma's meatballs, popcorn chicken, taquitos and hot dogs. There will be additional beverage and snack items such as chips, pop, water, coffee available as well.

Show Office Hours:

FRIDAY: 1:00 PM - 7:00 PM

SATURDAY: 7:00 AM - 6:00 PM

SUNDAY: 7:00 AM - end of show

Schooling:

Schooling will be available in the competition arenas Friday afternoon beginning at 2 pm and will end at 8 pm. Schooling Saturday and Sunday, will be available in the designated schooling areas only. After the show has ended on Saturday, there will be two additional hours of schooling time available.
